solutions

3 lb/min (1.4 kg/min) Rotor - Part#: 3E0833

**1" (2.5 cm) Urebrade Blast Hoe with control cable
Part #: 16-U5N-0240-0000**

**3/4" (1.9 cm) JICF to 1" (2.6 cm) JICM Adapter
Part #: 2406-12-16**

With the Conversion Kit you may choose one nozzle from Group A or B in the Product Catalog (effective December 2002).

Note: This nozzle is not added to the nozzle that comes with the system initially; purchasing the conversion kit will allow you to choose from a wider selection of nozzles.

***This conversion kit is sold as kit only when purchased with an AeRO 30. If conversion is desired at a later date, each individual part (above) must be purchased separately.**
